GUIDELINES FOR DONOR ADVISED FUNDS

CHARACTERISTICS OF DONOR ADVISED FUNDS

A Donor Advised Fund is a charitable fund established by a donor (an individual, family or business) into which they contribute cash or assets, receive a tax deduction and continue to have the opportunity to be involved in its charitable use.

A Donor Advised Fund offers active participation in the grant process by allowing you to recommend the grant recipients. It affords all the advantages of a private foundation with greater tax benefits and none of the administrative tasks. A Donor Advised Fund can be created at *The Community Foundation for Greater Rome* in a variety of ways. It's a perfect vehicle for those who wish to participate actively in grantmaking and retain philanthropic flexibility.

A Donor Advised Fund is an irrevocable charitable gift of cash or securities from which you have the opportunity to recommend disbursements for charitable causes. Any recommendations regarding distributions from the fund shall be advisory only. Such recommendations shall not be binding upon the Foundation and the final decision regarding any distributions from the Fund is the decision of the Board of Directors of the Community Foundation.

BENEFITS OF DONOR ADVISED FUNDS

Simplicity

Through the Community Foundation, you can centralize and streamline your philanthropy. One fund here allows you to recommend grants to many different nonprofit organizations without having to make separate contributions to each organization. Responsibility for the administrative work associated with charitable giving is transferred to the Community Foundation, and your anonymity can be protected if desired.

Flexibility

You receive a charitable tax deduction in the full amount you give to a Donor Advised Fund in the year of your contribution, but you can make decisions regarding distribution for many years thereafter. Your fund continues to be invested and grows tax-free in a well-diversified, professionally managed portfolio.

Maximum Tax Deductions

Donors who contribute long-term appreciated securities to the Community Foundation get double federal tax benefit. Gifts of appreciated securities are deductible at their full market value if they were owned longer than twelve months. The capital gains tax on the stock's appreciation (the difference between the stock's cost and its current fair market value) is completely avoided. Every individual's tax situation is unique and we suggest that individuals consult their tax advisor with respect to maximizing tax benefits.

Expertise

Your partnership with the Community Foundation is an opportunity to learn about philanthropy from experienced, professional grantmakers. Program staff — a ready reserve of information and expertise about our nonprofit community — are available to review requests and make recommendations. If you wish, we will bring your attention to organizations working in areas of your charitable interest.

Attractive Alternative to a Private Foundation

A private foundation can be an appropriate vehicle in the right circumstances. However, the disadvantages of private foundations, including costs, administration, annual tax filings to the IRS, and lesser tax benefits, cause many people to seek a better alternative. A Donor Advised Fund may be that better alternative. Private foundations can be terminated and the assets easily transferred to a Donor Advised Fund with the Community Foundation.

GUIDELINES FOR DONOR ADVISED FUNDS

SETTING UP A DONOR ADVISED FUND

To create a Donor Advised Fund, you sign a Fund Agreement — a document that conveys your gift to *The Community Foundation for Greater Rome* (CFFGR). A donor may designate in the Fund Agreement who can recommend disbursements from the fund. In the agreement, you may name yourself to act alone or with another individual (or individuals). It is recommended that if more than one person is listed to recommend disbursements, that one person be specifically designated to act as the lead in submitting Grant Recommendation Forms to the Community Foundation.

VARIANCE POWER

It is understood that all assets contributed to the Fund become irrevocable gifts to the Foundation, and the ultimate authority and control of all property in the Fund rests with the Foundation. All funds established at the Foundation are subject to the Foundation's variance power, as set forth in the Foundation's bylaws. Variance power give the Board of Directors of *The Community Foundation for Greater Rome* the power, without the approval of any donor, trustee, custodian, agent or other person or entity, to modify any restriction or condition on the distribution of investment of funds for any specified charitable purpose or to any specified organization if, in the sole judgment of the Board of Directors, such restriction of condition becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community served by the corporation or if, in the sole judgment of the Board of Directors, other circumstances warrant such modifications.

MINIMUM VALUE

The CFFGR recommends a minimum of \$5,000 to start a Donor Advised Fund, but we are eager to work with you to accomplish your charitable goals and discuss your individual circumstances.

ADDITIONAL CONTRIBUTIONS

Contributions such as cash and appreciated securities can be made at any time. Gifts of real estate and certain other tangible assets can only be accepted with prior approval of *The Community Foundation for Greater Rome's* Board of Directors.

Gifts to a public charity, unlike contributions to a private foundation, have the benefit of the maximum charitable deduction permitted under current laws. The charitable gift you make to establish a Donor Advised Fund, and any subsequent contributions to the fund, are fully deductible as gifts to a public charity. A community foundation is defined as a public charity under sections 501(c)(3) and 170(b)(1)(A) of the Internal Revenue Code. All gifts to the fund are acknowledged by a sanctioned IRS letter that may be used as evidence of the charitable contributions for tax purposes.

DISTRIBUTIONS

The donors recognized in the Fund Agreement may submit grant recommendations to one or more charities by using a Grant Recommendation Form. Grants may only be made to publicly supported 501(c)(3) charities, schools or government entities. Grants may be for undesignated support or you may designate the grant be used for a particular purpose. If no designation is stated, we will assume that the grant is to be used for general support.

Community Foundation staff will research and document the charitable status of the proposed recipient organizations and the charitable nature of their activities, when necessary. With the support of our grantmaking

staff, the Community Foundation reviews the recommendations using criteria established by our Board of Directors in accordance with IRS guidelines.

The Community Foundation's interest is the support of nonprofit institutions in Rome and Floyd County.

RESTRICTIONS ON DISTRIBUTIONS

The IRS is specific about some limitations on the types of grants that can be made from a Donor Advised Fund. Distributions from the Fund may not be used to fulfill any preexisting pledge or for any personal benefit for donor(s) or any related party, including personal grants, loans, compensation, reimbursements, and other similar payments. Additional examples of personal benefit include memberships in a nonprofit organization, tickets to fundraising or golf tournaments and goods purchased at charitable auctions and other fundraising events. In addition, distributions may not be made to private foundations or individuals or used for political contributions, lobbying or to support political campaigns.

COMMON GRANTS

Here is a list of the most common types of grants made to nonprofit organizations and what they typically mean to those organizations.

Unrestricted — An unrestricted grant allows the nonprofit to use the dollars where most needed.

Operating or General Support — An operating grant provides for the day-to-day costs of running the organization.

Project/Program — A project or program grant supports a specific activity.

Capital or Capital Campaign — A capital grant provides support for the purchase of property, the construction of a facility, remodeling/expansion of a facility or purchase of equipment.

Endowment — An endowment is a permanent source of income for organizational operating or program expenses.

Challenge or Matching — A challenge or matching grant helps a nonprofit leverage additional dollars through a fundraising campaign.

MAINTAINING CONTACT

When the Community Foundation makes a grant from a Donor Advised Fund, we notify the charitable organization receiving the grant by letter. In addition, we send a copy of the grant distribution to you as confirmation. Unless you otherwise request, any distribution from a Donor Advised Fund shall identify the name of the fund and the name and address of the fund's primary contact person for acknowledgment purposes.

We make every effort to respond promptly to your grant recommendations. Checks to organizations previously known to the Community Foundation will be issued in a timely manner. Community Foundation staff will gather basic data and follow through with appropriate actions as quickly as possible.

ADDITIONAL WAYS TO SUPPORT THE CFFGR

Making gifts to the Community Foundation's Community Impact Fund demonstrates a desire to support the Community Foundation's mission. These kinds of gifts help address ever-changing community needs by allowing CFFGR to identify opportunities and target your dollars where they will be most effective. You may request that a transfer be made from your Donor Advised Fund to support the activities of the Community Foundation at any time.

FUND STATEMENTS

You will receive quarterly fund statements. These reports contain information on interest and dividends earned, realized/unrealized gains and losses, contributions, fees, and grants made during the quarter. Historical data of all your gift and grantmaking can be provided to you upon request. If you should have any questions, please do not hesitate to contact us.

CREATING A LEGACY

By creating a fund with us during your lifetime, you have already made it possible to leave a permanent legacy to charity. Upon the death of the last surviving advisor, the fund will continue as a permanent named endowment meeting your charitable purposes for generations to come. This allows you to build a permanent legacy and to perpetuate the name you select for the fund. You may want to add to the Fund by making a charitable provision in your will. Or you may also create additional funds named for your family or in honor of a relative or friend to serve as memorials to them. Gifts will be made in the name of your fund in perpetuity.
